Weight per set	2.1 kg
Reaction to fire classification	B-s1, d0

PET FELT HEXAGON PLAIN TILES SMALL

The hexagon shape is ultimately versatile, making these tiles ideal for creating unique designs. You can make combinations of different patterns and colours, and the final result will always be a piece of art. The tiles have a handy size and are easy to mount on the wall.

PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

COLOURS

Since PET Felt is a recycled material, slight colour deviations may occur between different batches. It is recommended to order the required quantity at once to make sure the tiles come from the same batch.
