## CARE AND INSTRUCTION MANUAL

### HEY BABE, COME HERE OFTEN?

Welcome to your self love journey! We're so excited to introduce you to your new bedroom magic maker, Majesty 2.

Majesty 2 is a powerful wand vibrator that's about to revolutionise the way you play in the bedroom. Designed for all bodies, Majesty 2 is perfect for both solo or couples play. With 5 varying levels and 10 different patterns designed for maximum pleasure, whether this is your first toy or an anticipated addition to your collection, there's a perfect vibe for everyone. Let's make some magic!

### CHECK ME OUT

### YOU'RE IN CHARGE

Before we can get down to the good stuff, your Majesty 2 will need to charge for 2 hours.

Insert the main USB plug into any USB port. Connect the charger with the charge port on your Majesty 2 (those two fancy silver dots). You'll feel a slight pull and a click, followed by your Majesty 2 LEDs flashing to let you know it's charging. Catch up on that show you've been meaning to watch while you wait - it won't be long! The LED lights will stop flashing when your Majesty 2 is ready to play.

For best performance, we recommend only charging your Majesty 2 with the provided Vush charger.

### TURN ME ON

- Charge Majesty 2 for 2 hours to reach full charge.
- Press and hold [power icon] to turn on.
- Press [intensity icon] to increase intensity level.
- Press [pattern icon] to discover all 10 pattern settings.
- Make some magic!
- Press and hold [power icon] to turn off.

### PLEASURE TO MEET YOU

Settle in, get comfortable, and turn on your Majesty 2. Choose your fave starting pattern + level. Majesty 2 is designed for all bodies, so you can experiment with massage and powerful vibrations either solo or with a partner, on any part of your body that it feels good.

Position the pleasure point over your selected area and try different levels, patterns, and pressures to find how to best love yourself! Don't thank us, thank yourself.

If you'd like extra lubrication for your Majesty 2, you can apply a small amount to the head of the wand. It's important to only use water-based lubricants like Vush Feelin' Myself Intimate Gel with your Majesty 2. Other oils, creams, or silicone-based lubricants can damage the high-grade silicone of your toy over time.

### PATTERNS

### GOOD CLEAN FUN

First thing's first: Always clean your Majesty 2 thoroughly before and after each use. It's waterproof, so cleaning couldn't be easier. Simply wash your Majesty with clean warm water and soap, then rinse and pat dry with a lint-free towel or cloth. Ta da! For those times when you need something quick and discreet (like when your roommate is using the bathroom for karaoke practise), you can also use a gentle wet wipe.

To show your Majesty 2 a little more love and care, store in a Vush Storage Bag to avoid dust build up or damage from other materials, and to keep it safe from sunlight or other extreme heats.

### SAFETY FIRST

Majesty 2 is for adult use only. Keep out of reach of children.
