**TOUR - TASTE - LEARN**  
Savoring Summer on the SLO Co Farm Trail is what Open Farm Days are all about.

Our local family farms will be swinging open their gates to welcome ticket holders to their farms and ranches to tour, taste and learn about our local agriCULTURE.

Demo’s, tastings and farm tours will be scheduled for our ticket holding guests to learn how our food is grown and products made here in SLO County.

This is a family friendly agricultural experience for all ages that will spotlight & showcase many of our local family farms & ranches along the SLO Co Farm Trail.
