- Internally mounted motor
- Four heavy-duty support columns
- Anti-kickback fingers
- Drive gears run in oil bath
- Triple belt drive inside housing
- US based customer service and technical support

SPECIFICATIONS

- Motor: 3 HP, 230V, single-phase, 12A
- Maximum stock width: 15"
- Maximum stock thickness: 6"
- Minimum stock thickness: $\frac{3}{16}$ "
- Minimum stock length: 6"
- Maximum cutting depth: $\frac{1}{8}$ "
- Cutterhead diameter: 3"
- Cutterhead type: 4-row helical with 52 inserts
- Cutterhead speed: 5000 RPM
- Insert size and type: 15 x 15 x 2.5mm, indexable carbide
- Feed rate: Variable, 10–28 FPM
- Table size with extensions: 15" x 48"
- Dust port size: 4"
- Footprint: 22½" x 23"
- Overall dimensions: 39" W x 48" D x 44½" H
- Approx. shipping weight: 595 lbs.

Made in an ISO 9001 factory
CSA certified

GET UNMATCHED PLANING WITH SOUTH BEND PRECISION

Designed with the exacting tolerances your shop demands, this South Bend 15" Planer is top of its class in precision workmanship and dependability.

The helical cutterhead delivers near mirror-smooth finishes right out of the gate. It consists of four rows of indexable carbide inserts, each angled slightly to produce a shearing action.

This shearing action results in less tearout in highly figured woods and quieter operation—and the planed surfaces are far superior to what you'll get with straight-knife and even other spiral cutterheads on the market.

Other high-end features include a digital table height scale for ultra-precise and consistent thickness adjustments, variable feed speeds, precision-ground cast-iron tables, and triple belt drive—everything that makes this planer truly live up to the South Bend name.

No more messing around. This will be the last 15" planer you'll ever need to buy.

BUILT TO TRUE SOUTH BEND HIGH-PRECISION INDUSTRIAL STANDARDS

The manual was written by our U.S. based Technical Documentation Department and is packed with useful information. The complete and easy to read manual provides full instructions on how to assemble and maintain your bandsaw.

The South Bend Customer Service and Technical Support Teams are U.S. based. Parts and accessories for the bandsaw are available online and shipped from the South Bend parts warehouse in Springfield, MO.

WARRANTY INFORMATION

South Bend Tool Company warrants every product it sells for a period of 2 years to the original purchaser from the date of purchase. We make every effort to ensure that our products meet high quality and durability standards so that you never need to use the warranty. Please feel free to write or call us if you have any questions about the machine or the manual.
