Specifications

- Motor: 3 HP, 220V, single-phase, 13A
- Max. depth of cut @ 90°: $3\frac{1}{8}$ "
- Max. depth of cut @ 45°: $2\frac{1}{8}$ "
- Distance from front of table to center of blade: $14\frac{7}{8}$ "
- Floor-to-table height: $35\frac{3}{4}$ "
- Arbor diameter: $\frac{5}{8}$ "
- Arbor speed: 4000 RPM
- Max. width of dado: $\frac{3}{4}$ "
- Dust port size: 4"
- Footprint: 22" x 24"

SB1110 Specifications

- Rip capacity: 36" right, 18" left of blade
- Table size with extensions: $45\frac{1}{4}$ " W x 27" D
- Overall dimensions: 75" W x 47" D x $43\frac{1}{2}$ " H
- Approximate shipping weight: 607 lbs.

SB1111 Specifications

- Rip capacity: 52" right, 18" left of blade
- Table size with extensions: 76" W x $65\frac{5}{8}$ " D
- Overall dimensions: $91\frac{1}{2}$ " W x 73" D x $43\frac{1}{2}$ " H
- Approximate shipping weight: 742 lbs.

Made in an ISO 9001 factory

CSA Certified

A HIGH-QUALITY TABLE SAW IS THE MOST IMPORTANT INVESTMENT YOU'LL MAKE AS A WOODWORKER

These high-precision, 10" 3 HP table saws are solidly built with high-end components, with a higher degree of accuracy and longer-lasting reliability than any other table saw on the market.

A digital readout on the fence for width of cut, and two digital readouts on the control panel for blade height and tilt allow you to set up your cuts with absolute precision every time.

And the $\frac{1}{2}$ " thick, precision-ground cast-iron table mounted on the heavy-duty, one-piece steel cabinet minimize vibration during operation.

Additional features, such as a locking ON/OFF switch for safety, large cast-iron handwheels for easy adjustments, and large anodized handles on the miter gauge and rip fence add a professional touch.

Available with a 36" rip capacity, or with a 52" rip capacity with outfeed and rip extension tables and built-in storage shelves.

ACHIEVE PROFESSIONAL RESULTS WITH EITHER OF THESE SUPERB SOUTH BEND TABLE SAWS

BUILT TO TRUE SOUTH BEND HIGH-PRECISION INDUSTRIAL STANDARDS

The manual was written by our U.S. based Technical Documentation Department and is packed with useful information. The complete and easy to read manual provides full instructions on how to assemble and maintain your bandsaw.

The South Bend Customer Service and Technical Support Teams are U.S. based. Parts and accessories for the bandsaw are available on-line and shipped from the South Bend parts warehouse in Springfield, MO.

WARRANTY INFORMATION

South Bend Tool Company warrants every product it sells for a period of 2 years to the original purchaser from the date of purchase. We make every effort to ensure that our products meet high quality and durability standards so that you never need to use the warranty.
