

CEILING SPEAKER | CS-630T

6 INCH, 7.5/15/30W COAXIAL CEILING SPEAKER

ALHAAN

The CS-630T is a 30W 100 V Ceiling Speaker which is ideal for ceiling installation. With 30W / 100V, 2-way system, the ceiling loudspeaker has excellent acoustic properties and high efficiency. The mounting frame with holding parts is made of high quality plastic, the perforated plate is made of coated steel. The loudspeaker is equipped with a high-quality 6" 2-way coaxial chassis and is perfectly suitable for voice and background music reproduction. The 2-way coaxial chassis has a very broadband designed base membrane with separate tweeter integrated.

FEATURES:

- ▶ High Performance 2 way speaker
- ▶ With heavy duty fire dome and power selection switch
- ▶ Good for high music demand applications.
