BOSCH FIRE ALARM

We believe in earliest and accurate fire detection as the crucial core of every fire detection system. We want to make sure that you can rely on our belief and therefore, we adopt the most elaborate technologies when developing our detectors.

[Know More](#)

BOSCH INTRUSION ALARM

Protect people and property with security you can rely on. From simple installations to extensive projects, we offer integrated security solutions based on award-winning technology and backed by superior support. Our easy-to-use alarm systems integrate seamlessly with video cameras, smoke alarms, home automation devices, and more. We offer customizable solutions to address the challenges you face every day.

BOSCH INTERPRETATION SYSTEM INTEGRUS

The Integrus fully digital infrared language distribution system has been specifically designed for multilingual conferences and meetings to enable delegates to understand what is being said. Simultaneous interpretation of presentations and speeches in the delegate's own language is transmitted to a pocket receiver and headphones.
