

CEILING SPEAKER | CS-615T

6 INCH 15W COAXIAL CEILING SPEAKER 100V LINE

ALHAAN

The CS-615T is a coaxial multipurpose ceiling speaker. It is perfect for use in malls, supermarkets, schools, offices, hotels and restaurants because of its excellent voice and music reproduction. Used for general purpose applications and announcements, this speaker is not only economical due to its plastic panel but also efficient as it has a wide frequency response with minimal disturbances. This speaker is practical in various conditions as it is easy to install and inconspicuous in all settings due to its sleek design. It covers a wide listening area due to its clear and well-balanced sound reproduction and minimal high frequency roll off, making it quite cost-effective installation wise.

#### FEATURES:

- ▶ Easy and fast installation
- ▶ Colorful Poly woofer produces smooth and natural HiFi sound
- ▶ Designed for optimal performance in a wide variety of commercial applications
