MEDIA PLAYER, SUPPORT FM, USB AND  
SD IN 1U 19 INCH RACK MOUNT DECK

ALHAAN

The MP-53RM rack mount Media Player supports FM tuner, SD card as well as USB reader, making it an all-in-one audio player. It is ideal for use in places of worship, restaurants, educational centers and even music studios. The media player is easy to use because of its front LCD display panel and has separate controls for different sources of music files. The balanced sound output makes it ideal for use in professional music sector as it minimizes stray interferences of noise while connecting over long distances.
