ALCOHOL CONTENT 14% by Volume

RESIDUAL SUGAR 1.04

BOTTLE SIZE 750mL

PH 3.78

TA 6.7 g/L

“The Winemaking team here in Oregon has been refining our sourcing out of Washington for the better part of the last decade. All that effort has definitely paid off.

—Eric Harms
Co-Founder

TWO BROTHERS. ONE PASSION. MADE BY OREGON.

What makes the Pacific Northwest so unique? The fact that dense forests, winding waterways, and snow-packed peaks are all in our backyard? Or is it that no matter how far you go and how many sights you see, there's always more to explore? Each wine is crafted with this reverence of place—but our goal is to never stop exploring new regions and new wines.

We're creating wine for those who cherish the wonder in wandering, who understand that the best places to explore are sometimes right around the corner, and for those of us who opt for the long way home. Inspired by the Pacific Northwest, and #MadebyOregon.

The 2021 Christopher Michael Red Wine is a blend of 60% Merlot, 25% Syrah, and 15% Cabernet Sauvignon from the Columbia Valley AVA in Washington. The Merlot brings suppleness, the Syrah contributes berry fruit and herbaceous complexity, while the Cabernet Sauvignon reins in the breadth of the other two varieties with a gentle nudge toward structure. 2021 was a warm and historically low-yielding vintage throughout the AVA, leading to wines of great concentration.
