

SO WATT

Charli Side Table

Designed + Made by So Watt

The Charli Side Table takes up hardly any space but manages to add so much to your life. A small shelf to keep track of your remote and a larger space for magazines, books & newspapers keeps things clutter free. Spin it to the front of your couch for a weekend TV dinner, place it in a corner as a plant stand, or use a pair as bed side tables.

- 18mm Birch plywood.
- OSB (Oriented Strand Board) feature panel.
- Finished with a low VOC natural water based durable finish.
- Our pieces are hand made to order. Custom sizes are available.
