

## Pegboard

### Designed By

Jonathan Biet & Sophie Biet

### Crafted

By the So Watt manufacturing team at 3 Shirlow Street  
Marrickville, Sydney, NSW 2204, Australia

---

## Product Specifications

### Materials

- 19mm Australian Hoop Pine Plywood

### Construction

CNC cut Hoop Pine, installed with a split batten hook  
screwed into both the panel and the wall .

The lattice of 19mm holes allow for organic variations  
with moveable shelves and pegs.

Note; the pegboard is left unsealed as they are not a  
high traffic surface.

### Warranty

At So Watt our products are made to stand the test of  
time, however we offer a 1 year commercial warranty.

### Lead Time

This product has a lead time of 2-4 weeks.

Fast and easy to  
assemble

Made from  
100% Australian  
materials

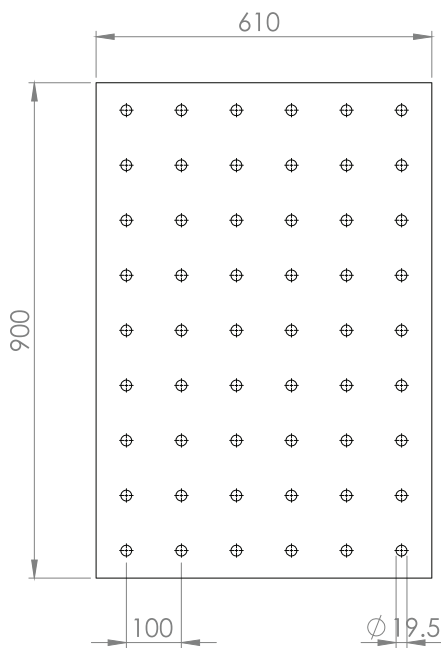

Made to be  
sustainable at all  
stages of it's life.
