

OCTOBER 2023

The Distinguished Rider's WINTER BOOT GUIDE

OPTIONS FROM \$199+

Winter boots are an absolute necessity for riders who live in a cold climate! A cozy sheepskin lining makes those chilly months more comfortable. And these days, there are TONS of options when it comes to winter-appropriate footwear. In this Winter Boot Guide, The Distinguished Rider breaks down just a few of those options, including price points and the pros and cons of each!

Notes: These are the options available specifically through TDR. For additional questions, recommendations, and size chart or fit help, please email us at thedistinguishedrider@gmail.com.

@THEDISTINGUISHEDRIDERLLC

QHP Calgary Field Boot

\$199

Tough riding boot with a soft, warm lining. This riding boot is perfect for the colder days. The boot features a zipper with elastic insert in the back and a decorative zipper in the front.

Chester Boots

\$809

Limited design customization but with custom measurements at one flat price. Chester Boots are a great option for people looking for riding boots for under \$800

Kingsley Riding

Starting at \$809

The quality, quick turnaround, and endless possibilities make Kingsleys a great option for anyone looking to make their boot dreams come true.

DeNiroBootCo

Starting at \$1045

DeNiroBootCo is well known for its quality, vast variety of options, and attention to detail when creating custom boots for any equestrian, regardless of discipline.

QHP's Calgary Thermo Field Boot

\$199

Tough riding boot with soft, warm lining. This riding boot is perfect for the colder days. The boot features a zipper with elastic insert in the back and a decorative zipper in the front.

- Material: leather
- Material inner lining: polyester
- Material sole: rubber
- Model with a medium dressage bow
- Strap with press button on the top
- Riding boot with zipper and elastic insert at the back
- Made of sturdy leather with extra reinforcement on the nose and at the heel
- Lined with faux fur

Pros

- Least expensive option
- Good quality at a low price
- Two elastic panels allow for stretch in calf

Cons

- Limited sizing options
- No customization
- Faux fur instead of real sheepskin

Chester Boots

\$809. PERIOD.

Chester Boots strives to provide footwear accessible to all equestrians regardless of size. Their custom boots are produced in the north of Portugal with total care and attention. TDR believes that Chester boots are the absolute best bang for your buck in terms of custom boots. Although the customization options are fairly limited, this is a great alternative to a \$1500 boot or a boot that does not fit.

- \$699 for all boots fully customized and shipped
- \$110 for full sheepskin lining
- **Total Price: \$809**

Pros

- Fully custom measurements at no extra cost
- Fairly quick turnaround: 5-7 weeks

Cons

- Limited customization in comparison to some other brands
- Can only be measured and designed through TDR in-store or virtual fitting

Kingsley Riding

OPTIONS START AT \$809

Kingsley, a Dutch brand, is known for its customization features and 3-D configurator. Kingsley boots are laser cut and hand stitched in the factory in Portugal. They are measured four times throughout the manufacturing process to ensure the measurements are accurate. What can we say about Kingsley? We just love their products! These boots are known for quality, comfort, and limitless design options. Their beauty and grace is unparalleled!

- Sheepskin cost: \$110

*Note: The Kingsley Maris (**\$809** for sheepskin for a stock size) is only available through TDR!*

Pros

- Thousands of options and styles
- Fast turnaround: 4-6 weeks
- Can be measured and designed with any of our reps across the US or virtually

Cons

- Custom measurements cost extra

@THEDISTINGUISHEDRIDERLLC

DeNiroBootCo

OPTIONS START AT \$1045

DeNiroBootCo. is synonymous with Italian craftsmanship and creativity. Since 1981, DeNiro has been the result of love and passion for equestrian sports. Their goal is to create diverse, handmade, comfortable, durable, and fashionable designs. The history of the company, made of inspiration, research, and experimentation, is a union of passion for the equestrian world and footwear know-how. Attention to detail, use of the finest leathers, and a flair for innovation have been the hallmarks of the DeNiro brand for more than 30 years.

- Sheepskin cost: \$155

Pros

- Thousands of options and styles
- Can be measured and designed with any of our reps across the US or virtually
- Fairly quick turnaround: 6-7 weeks

Cons

- Custom measurements cost extra
