CHOCOLATE MOONSHINE CO.®

Illegally Good

Wholesale Catalog

It was when the wonderful aroma of the pure chocolate liquor cooking in the basement, got all the neighbors talking that the Chocolate Moonshine name was born. Today, like all good Moonshine, the recipe is a family secret. What we can share with you is that it's made with pure chocolate liquor, fresh cream, organic cane sugar, natural ingredients and hand stirred in copper kettles.

Enjoy my friends!

BULK FUDGE

Chocolate Moonshine Co. began with passion around a simple idea...

Our fudge recipe was created over 30 years ago and has been known as America's Best Fudge since the early 80's. Our ingredients must be pure and natural. Our fudge will always be made in the small batch tradition, hand-stirred in copper kettles cooked over an open flame. This cooking method creates a wonderful silky smooth fudge that has been recognized as America's Finest.
