WHY DON'T YOU...?

What's Going On in **CULTURE** and **STYLE**

1 BINGE

LISEY'S STORY

Adapted by Stephen King from his own bone-chilling 2006 tome, this J.J. Abrams-produced miniseries centers on a famous novelist's widow (Julianne Moore) who becomes the target of a violent stalker obsessed with her husband's work. Arriving June 4 on Apple TV+.

2 MAKE

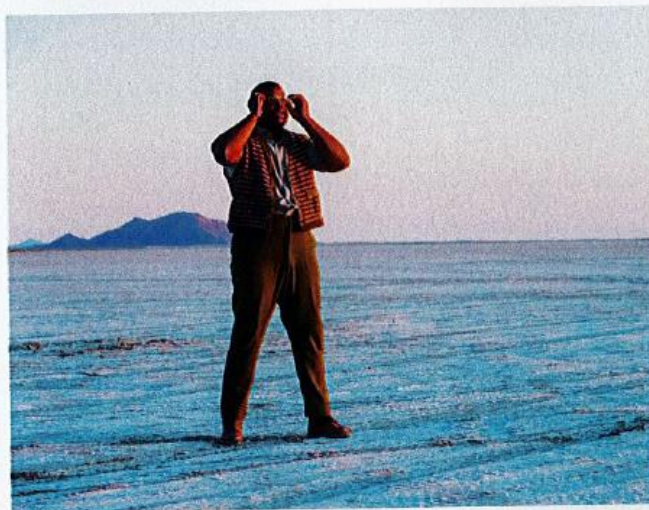

EVERY DAY A CHIC PICNIC

Wicker, that whimsical woven style, gets an elegant update for summer courtesy of Celine and Giorgio Armani via leather straps and compact silhouettes.

3 LISTEN

TO ANCIENT DREAMS IN A MODERN LAND

Alt-pop songstress Marina, previously Marina and the Diamonds, releases her fifth studio album, which she wrote and coproduced, on June 4. Standout tracks include the soaring anthem "Man's World," in which she traces the subjugation of women and the LGBTQ+ community since the Salem witch trials, and the melancholic ballad "Flowers," about a failed relationship.

4 WATCH

NINE DAYS

Written and directed by Edson Oda, this Sundance award-winning supernatural drama follows five unborn souls through an emotional, nine-day interview process to determine which one will get to inhabit a body on Earth. Executive-produced by Spike Jonze, it stars Winston Duke, Zazie Beetz, Benedict Wong, Tony Hale, and Bill Skarsgård, and hits theaters July 30.

5 CATCH

A RISING ART STAR

On view at Manhattan arts center the Shed beginning June 3, "Open Call" showcases the work of 27 emerging New York-based creatives, from performance pieces incorporating music and dance to visual and multidisciplinary projects.

6 PROTECT

YOUR COMPLEXION FROM BLUE LIGHT

Need another reason to curb your screen time? Recent studies show that too much of it may contribute to premature aging. Fight back with a specially formulated skin-care product like Goodhabit's shielding serum or Ilia's hydrating setting mist.

7 MASTER

THE ART OF FLORAL ARRANGING

Bouquet Box makes it easy. Each delivery includes a deconstructed arrangement, a custom tools kit, a vase, and step-by-step assembly instructions, providing everything you need to create a professional-grade display at home.
