**Frequently Asked Questions**

**Is this camp suitable for children of all skill levels?**

Yes, we welcome students of all levels. Our coaches carefully consider both skill level and age when organizing groups for learning new skills or engaging in games. This approach ensures that everyone feels comfortable and appropriately challenged.

**What do students need to bring?**

- indoor, non-marking badminton shoes or runners with **no** black/dark/neon outsoles
- badminton racket
- water bottle and snacks/lunch
- towels
- loose change

Please note: we **do not** have a water fountain at our facility. Please bring your own water or loose change to purchase drinks.

**What are the drop-off and pick-up times for my child?**

We will have staff available to buzz you in 5-10 minutes prior to class. Please ring our doorbell and when you see the blue flashing light, the door will be unlocked.

**What will they learn in camp?**

During camp, participants will start each day with engaging warm-up exercises and interactive games. Following this, they will delve into acquiring new skills and techniques, adapting to various learning environments such as partner work or group activities, as determined by the coach. Opportunities for applying learned skills through gameplay will also be provided. The daily schedule will be subject to adjustments based on factors such as student numbers, skill levels, and feedback received.

**Ensuring Student Safety is Important to Us**

We highly encourage parents to come into the facility to pick-up their child(ren). This is to ensure the students’ safety. It is also important to communicate with your child(ren) your expectations for pick-up. Students are welcomed to use our phone to contact their parents anytime.
