This series has been written with a very controlled vocabulary that builds as readers move through the series. Books are grouped in sets, based on the letters and words used. The words listed above include High Frequency and Sight words not have been introduced to them in previous sets.

- **High Frequency Words:** words students can decode, though the sounds may not have been introduced to them in previous sets.
- **Sight Words:** words not easily decoded, it is hoped that students are able to recognise these words quickly.
