Before reading

Say, "This book will help you learn to read."
Read and discuss the title and back cover.

Letter sound check

Look at the new letters ai and ay. These letters make a long /a/ sound. The long /a/ sound is in the words 'wait' and 'play'.

Now check the revised letters in this book.
See the full sequence on the last page.

High-frequency words

Ask the child to read the high-frequency words. The child may write the words and find them in the book.

During reading

Ask the child to sound out letters in any unknown word in the book, for example:

wait sounds like /w/-/a/-/t/.
play sounds like /p/-/l/-/a/.

Reading fluency

- On the first reading, focus on the words.
- On the second reading, focus on the words and explore the illustrations.
- On the third reading, encourage fluency.

After reading

Comprehension
