## DECODABLES

Written to provide a reading resource when introducing phonics and decoding. Beautifully presented with engaging characters and stories these readers are ideal for repetitive use of specific consonants, vowels and blends combinations. This has been produced in a specific sequence over 5 sets.

The 5 Sets provide a valuable resource to reinforce classroom lessons with repetitive use of CSVC, CCLVC, blends and magic 'e' usage in stories for students to build reading confidence. Each set has 20 (170 x 150mm) readers. Set 5 are review readers of Sets 1-4.
