

The diagram shows a square layout for a lunch napkin. A solid blue line forms the outer boundary, representing the total size of 165mm x 165mm. Inside this, a dashed pink line indicates the maximum print area. The central text provides specifications for the print area and explains the grey bars. The grey bars are located on the right and bottom edges of the white area, representing embossed patterns.

## Lunch Napkin

165mm x 165mm (Blue Key Line)

Max Print Area: (Pink Key Line)

Max Print Size: 70mm x 70mm

Grey Bars represent the embossed  
patterned area.
