Come say hello to us in store...

On Monday 12th April 2021, our Shaftesbury Avenue shop will be reopening!

We are excited to welcome you back to our West End store, it's been a while!

**We will be open
Monday - Friday:
11:00 - 17:00.**

We will only be opening the ground floor area of the shop, where you can find our huge selection of hardware, ropes, chandlery and paints. Our staff will be on hand to help you with any enquiries so please do come say hello.

Know what you're after?

If you require something specific, our website is now the best place to find our full inventory of stock, and you can order most items online for **next day delivery**.

We do not hold our full inventory of stock at the shop anymore so in order to avoid disappointment, the website is best as your first port of call.

We also have **live inventory updates** on every product page so you can see accurate stock levels and lead times on items which require pre-ordering.

Have you visited our Clearance area yet?

April 2021

Get Ship Shape for a Summer of Adventure with Arthur Beale!

The storm slowly passes...

As life slowly returns to normal, we are still slightly quaking in our seaboots from the past year. Our hull is leaking, sails are torn and the deck is in a sorry state... but we're afloat (just!)...

The future for Arthur Beale certainly looks different now to one year ago, and we have come to realise that the weight of our history should not stop us looking to the future to see how we can adapt in these changing times.

We have some exciting plans on the horizon, which remain under wraps at the moment... but we will share these with you as soon as we can!

Happy Sailing!
