WELCOME & INTRODUCTION

Welcome to our catalogue for Dover Stamp Auction Sale Number 12, which is a Public Sale.

As usual, the auction coincides with the Dover Stamp Fair in the shared venue at Biggin Hall, Biggin Street, Dover; CT16 1BD. The regular monthly Dover Stamp Fairs are planned for the third Sunday of every month, Keith Shepherd is the organiser; contact him direct for further information regarding these (07718 157826)

The venue is located behind Dover Town Hall and is adjacent to the 'Ladywell' car park, which is 'free' to use on a Sunday. This central location has shops and catering establishments nearby. If you are planning to attend, we anticipate that it will between 1½ and 2 hours to 'knock down' all the lots.

This sale consists of 1,194 lots. There is a good spread of material in all price brackets, including several £1 start lots where we have a 'must sell' instruction. As usual we have several interesting boxes, albums and envelopes looking for a new home and hopefully there will be something to tempt you.

There are good ranges of 'GB' material this time, both single stamps and collections, including several 'postage' lots, which will save good sums for those using stamps on their mail. Don't forget that Royal Mail have just extended their 'Swap Out scheme' which allows Machins to be exchanged on a like for like value basis for their new barcoded ranges. For those of you interested in **Cigarette Cards**, we have received several sets from as vendor, many in very good condition and attractively reserved. There are also several nice 'one country' collections throughout the sale.

The photo plates show some of the more valuable and interesting items in the sale. There are many 'new' lots being offered for the first time in this sale, including material from estate clearances as well as our usual supporters. Please be aware that vendor descriptions can vary. If in doubt feel free to contact us, we are only a phone call or an email away. We try to indicate if we feel any lot appears cheap. We hope that you will find this sale contains items to suit all budgets and from a variety of different geographical areas.

We offer full facilities for absentee bidders, by post, telephone, or email. All relevant information for doing so will be found in this catalogue. You can bid with absolute confidence that any lot will be sold at the lowest possible price and not the highest amount you have bid. If you are the only bidder; then regardless of the amount bid, it will be sold to you at the reserve price.

In closing, we look forward to receiving your bids and your continued support. The earlier you bid, the better your chance of success. If you do bid by email, then we do acknowledge bids to the email address you write from. If you don't receive this within 24 hours or so of bidding, we recommend you check that your email has been safely received. An unsold list is usually sent to all those who participate.

As previously mentioned, we know some are scaling back their public sales or changing to operate 'online' with no public attendance. For several reasons we can confidently say that at this point we have every intention of continuing to hold Public Auctions. Also, we do not propose to have 'online bidding' as this just significantly extends the time required to sell the lots.

Yours in collecting,

Peter and John

INVICTA STAMPS LIMITED

eBay Shop

As well as being the organiser of Dover Stamp Auction, one of the directors behind Invicta has an eBay shop, which has been running for over three years and has well over 8,650 'positive' feedback. The **'invictaphilatelics'** eBay shop typically has around 8,000 items available to purchase on a 'Buy It Now' basis.

The main areas of interest are Great Britain and British Commonwealth early to modern although we also have ranges from several foreign countries also. We also have a very good range of GB First Day Covers, with the emphasis on 'Official' covers and modern special postmarks. You will find several scarce FDC items in our eBay shop listings including more recent 'official' issues.

The eBay shop is looked after by Peter's wife Julieanne.

We have given a link direct to the shop below, which you need only type into the search bar on your computer or mobile device. We hope you find the time to look at the range of items on offer.

In the meantime, if you want to have a look at the periodic auctions which we may list, then add the seller name to your favourites and have a look.

We generally list new items on a regular basis, usually but not necessarily every week.

Selling in our auctions

IF YOU WISH TO SELL IN OUR AUCTION

If you wish to sell material through our Dover Stamp Auction public sales, please phone us in the first instance on 01 304 829827 or Peter's Mobile (07702 270948), email us or come to the auction to discuss how we can help. Whilst we can sell almost anything philatelic, the following should be noted:

- Our 'standard' commission charged to vendors in this auction is 20% excluding VAT. Rates for larger properties and 'regular' vendors may vary by prior arrangement.
- We do not charge lotting fees, unsold fees or picture fees. The vendor's commission is the only cost you will pay to sell through us.
- You must check with us beforehand if bringing bulky material (i.e. more than 1 box).
- Other than lots reserved at £1, **every lot must have a minimum reserve price of £30**, as the cost of handling items below this value is uneconomic.
- We reserve the right to reject any un-required material submitted.
- We have produced a sheet of 'Guidance Notes' for sellers that is available on request and provides more information on ways in which you can enhance the prospects of selling with us.
- Material left with us is not insured.
- Payment is made 5 weeks after the date of the auction.

We want your items to sell as we do not earn anything unless they do. That is why we will not accept consignments where we feel the reserve prices are too expensive. Our ownership team has been running auctions for over seven years and attending auctions as buyers for over 30 years. That experience gives us confidence that we can help you to find a buyer for your unwanted material.

Please help us to help you by providing as much information as you can, this may include any or all of the following factors:

1. A count of the quantity of stamps (or a reasonable estimate / guaranteed minimum)
2. Catalogue value (please indicate the age of the catalogue used – it can make a big difference!)
3. For mint decimal stamps of Great Britain, it helps to calculate a 'face value' which could be used as postage
4. Specify the dates / reigns covered where applicable
5. Flag up any particularly noteworthy items in large collections

**PLEASE SPEAK TO US FIRST
DO NOT SEND UNSOLICITED MATERIAL TO US**

How to Pay & Future Auction Dates

Paying Us for Successful Purchases

Payment arrangements and options are the same for all clients, whether you bid postally, by email or physically attend the sale. All lots remain our property until full payment has been received.

Please note that payment for all lots on the day is required before lots will be released to the buyer, unless prior arrangements have been made to do otherwise.

PAYMENT ARRANGEMENTS

CASH	Cash in £ sterling will be accepted to a maximum of 10,000 Euro's equivalent. This is the maximum limit allowed to comply with UK Law relating to money laundering.
CARD PAYMENTS	We accept both credit and debit card payments without any surcharges or additional fees. However, we do not accept AMEX payments. For postal bidders, you can provide these details when bidding, or alternatively, you may phone us to make a card payment over the phone upon receipt of lots.
BANK PAYMENTS	A credit direct to our bank account is the cheapest way for us to receive money from you. If you set us up to receive funds in this way it would be greatly appreciated, you need only quote your name and Dover Stamp Auction invoice number as the reference. Our Bank Details are as follows: NatWest Dover Branch, Sort Code 60 – 07 – 04 Account Number 39804119 Account Name: Invicta Stamps Limited
CHEQUE	We can accept cheque payments from clients known to us, although these cost us more money to process than a direct bank credit. However, all bidders may use cheques if they wish.
OTHER	It may be possible to accept other payment methods, although we prefer the options listed above. Please contact us if required to discuss.
