Welcome & Introduction

Dear Collector

Welcome to Post Bid catalogue 14. We hope there will be something of interest to you within the pages.

As we prepare the list, Summer is officially with us. It is clear to us that Royal Mail services are quite variable around the country, with all of lists taking considerable time to arrive in some areas and the following day in others! This is outside of our control, so, if there are specific items of interest, we strongly recommend phone or email ordering.

Our illustrations show some of the more elusive and interesting items and, provide an idea of the diversity of material within these pages. Almost all the photo items featured are freshly listed this time.

Hopefully the material in this list will provide a nice diversion from ordinary daily activity. There are several new items from the reign of King George 6th and also earlier and some particularly interesting Great Britain material which may fill some gaps. Thematic collecting remains popular, and it is worth a close look for these amongst the more modern periods.

We strongly recommend reservation by telephone, AS SOON AS POSSIBLE, if there are items you particularly want from the catalogue as orders are processed on a strictly first come, first served basis.

It is nice to be able to say that both our Dover and Bristol auctions continue to achieve good levels of sales despite the economic background. If you would like a sample catalogue then let us know, we regularly get over 100 bidders, many by post and / or email.

Overall, we want continued normality within this fine hobby of ours. That includes regular production of all our retail lists for you.

Yours in collecting,

Peter & John
July 2023

HOW DOES IT WORK?

Our Post Bid sale is quite simple to understand. **Every item in the catalogue is available for outright purchase at the price stated.** Contact us by phone, email or post with your order. If you are the first person to ask for an item, then it will be sold to you at the advertised price.

Alternatively, you can make an offer and bid a lower amount than the advertised price, and this should be given to us by phone, email or post. All 'bids' will be considered by us on the catalogue closing date. The closing time is 12pm midday on the date advised.

IMPORTANT NOTE RE BIDS – Only offers above 70% of the listed price will be considered. Bids below this threshold will be ignored.

We can choose to accept or ignore any or all bids made. Our prices are considered realistic and there is no standard acceptance level. The higher the percentage of the original amount you bid the better chance of your offer being accepted.

In the event of 'tied' bids then the earliest offer received will prevail and be considered.

Please feel free to both 'bid' and 'buy' items together; you do not need to do either uniquely. Combined orders are not a problem.

Whilst we may have duplicates of some items, the majority are 'one off's' so early ordering is recommended for any items that may be of particular interest to you.

Purchases from this list are subject to postage and packing fees as detailed on the order form.

Bids will be processed as quickly as we can after the closing time and items will be dispatched within 7 working days.

Successful purchasers will receive their items together with an invoice and payment receipt (where applicable). Payment can be made by the methods shown on the order form but please note WE DO NOT ACCEPT AMEX. Virtually all other cards are fine.

ANY QUESTIONS WHATSOEVER – DO NOT HESITATE TO ASK
