

Quickstart Guide.

Get Started

Thank You.

Thank you for choosing Human Headphones. We hope you enjoy using them as much as we enjoyed making them.

- The Human Team

Get the App

To begin setup, download the Human App.

For more setup help, visit humanheadphones.com/support

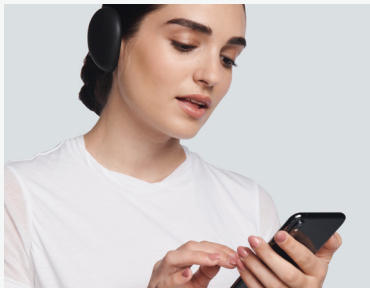

Power on

Simply separate units to power on. No buttons needed. LEDs indicate headphones are on.

Sencillamente separe las unidades para encenderlas. No necesita botones. Los LED indican que los audífonos están encendidos.

Connect

During first time setup, headphones will automatically enter pairing mode. Select “Human Headphones” from Bluetooth settings.

Durante la primera configuración, los audífonos entran automáticamente en modo de emparejamiento. Seleccione audífonos Human en las configuraciones de Bluetooth.

Power off

Simply clasp the headphones together to turn them off. They will power off automatically.

Sencillamente sujete los audífonos juntos para apagarlos. Se apagan automáticamente.

Charging

Place clasped headphones on the charging dock. LEDs will pulse while charging and become solid when fully charged.

Coloque los audífonos juntos en la base para cargar. Los LED titilan mientras carga y se quedan fijos cuando ya están cargados.

Pairing

To re-activate Bluetooth pairing, press and hold one finger on each headphone until you hear “now in pairing mode”.

Para volver a activar el modo par de Bluetooth, con un dedo mantenga presionado cada audífono hasta que escuche “modo par”.

Controls
