makes print perfect

Don't forget...

...your press essentials

Anti Marking Films, Nets & Jackets

- Super Blue 2® StripeNet® Anti-Marking System
- Super Blue® Anti Marking Nets with Stripes
- PrintGuard® Anti Marking Film – White
- PrintGuardPlus® Anti Marking Film – Orange
- Transfer Jacket

Ink Duct Foils

Our Ink Duct Foils for Heidelberg presses are the exact shape and size to guarantee a precise fit and lasting efficiency. They are made of top quality polyester, ensuring we have excellent chemical, thermal and mechanical strengths. This means they remain in a perfect condition for a long working life.

Litho Perfs

Easily fitted onto the impression cylinder to produce perforating, micro-perfing, scoring, slitting or snap-apart sets whilst printing. All products are adhesive backed and each individual pack includes a supply of polyester overlay tape plus full fitting instructions.

Fibrewipe Blanket Wash Rolls

- Mini Rolls
- Jumbo Rolls
- Pre-Sat Rolls
- Impression PH Cylinder Rolls
