

M+Co  
*Living.*

*Lookbook 2024*

# Foreword

Welcome to M+Co Living, M+Co's expertly curated collection of inspired interiors. With a proud heritage in interior design, property styling and specialist trade services, our pieces combine effortless style with function and ease.

Our experience styling homes each and every day means we know what works. By combining functionality, comfort and luxury, we've developed a range that transforms your home into a seamless experience of easeful living.

Our Australian-curated offerings are enhanced by our very own range of M+Co branded interiors, exclusively designed in Melbourne. With the addition of Gus\* Modern furniture, our collections deliver a refined and sophisticated take on everything the contemporary home interior can and should be.

Why not join us in the showroom, relax with a glass of wine, and get to know how we can help you elevate your living space?

We'd love to welcome you home.

+

*Elevated living for  
a contemporary  
lifestyle*

+ Easy elegance  
that's uniquely  
yours

Given our extensive styling experience and daily work in the homes of our clients, we care about how you feel in your home. Australian-owned and sourced by our very own team, M+Co's branded range of interiors is captivating, refined and practical, meaning you'll never have to compromise style for comfort.

# Exceptional Pieces Exclusive to Us

Our Australian-curated and designed range combines the interior-thinking expertise of M+Co's team of design consultants, property stylists and specialist tradesmen - the perfect combination of form, function and comfort.

## *Expertise that counts*

With decades of combined experience at the helm of superior styling and interior design in Australia, we live, breathe and understand the many ways that great design contributes to your enjoyment of home. We live to tell your story through design.

*Modern furniture  
made eco-friendly*

**Gus\***

Gus\* creates modern furniture inspired by simple forms with a focus on materials and craftsmanship. Taking inspiration from contemporary Scandinavian design and bringing iconic Mid-Century modern forms into the 21st century, Gus\* combines sophisticated design and practical purpose.

*Modern furniture  
made simple*

and inspire

# Interior Design

Full-spectrum design service.

Love what we offer but don't know where to begin? We don't just offer incredible interiors - we help you select, arrange and curate them too.

Engage our professional and passionate team to help tell your story, styling and elevating your living space to perfection. We'll see your project from multiple perspectives, executing the ultimate combination of personal preferences, aesthetics and timeless trends.

+ Beautiful interiors that  
breathe life into every space

# Buying Guide

## **General Public**

To view our full range, you can visit our showroom - located in Moorabbin – by private appointment or during our showroom opening hours. The M+Co Design team will be able to assist in selecting key pieces or a curated list of furniture items for your home. You can also browse our products on our website and pay securely online. Delivery and shipping information can be found on our site with hassle-free click and collect service available. You can also subscribe to our mailing list for access to upcoming launches, design evenings and events throughout the year

## **Trade and Design Professionals**

If you are a design professional, property stylist, architect, interior designer, real estate developer or furniture retailer, M+Co Living welcomes applications for our trade discount furniture program for all residential and commercial projects. Please register online for a trade account with us or call on 1300 200 025.

You will also be given access to our Trade Portal for detailed product information and marketing content. Furthermore, we'll keep you updated with news and events throughout the year to preview new furniture releases across our range of M+Co Living, Gus\* Modern and lifestyle products.

The M+Co Living team values collaboration, creating a like-minded, design focused hub for the trade community. We welcome those within the trade program to access the showroom, meeting with clients and members of the M+Co team to create a curated and considered experience for all those visiting.
