

Uplighter

BUL21- INGROUND FIXED

Product Codes: BUL21

Product Features

- Suitable for residential in exterior installations.
- Lifespan - 30,000 hours(L70)

Materials & Finish

- **Material**
 - 316 Stainless steel face and Anodised 6063 Aluminium body
 - 8mm Tempered Glass lens
 - Mounting Sleeve - PC
- **LED Type**
 - Integrated SMD LED
- **Shape**
 - Round
- **Colour**
 -  Stainless Steel

Specifications

- Non-dimmable
- IK Rating - IK08
- **Power**
 - Voltage - 24V DC
 - Driver - Requires separate 24V DC Driver
 - Wattage - 15W
 - Max ambient operating temperature: +40°C
- **Light Output**
 - Lumens - 1450lm
 - Colour Temperature - 3500K
 - CRI - >80
- **Lamp**
 - Integrated LED
 - Optics - Symmetrical

Installation

- **Recess Size**- Ø104 x 155mm deep
- **Mounting** - Recessed with mounting sleeve
