## BUL43- INGROUND FIXED

Product Codes: BUL43

### Product Features

- Suitable for residential in exterior installations.
- Lifespan - 30,000 hours(L70)
- Suitable for concrete and deck application.

### Materials & Finish

- **Material**
  - 316 Stainless steel face and Anodised 6063 Aluminium body
  - 8mm Tempered Glass lens
  - Mounting Sleeve - PC
- **LED Type**
  - Integrated SMD LED
- **Shape**
  - Round
- **Colour**
  -  Stainless Steel

### Specifications

- Non-dimmable
- IK Rating - IK08
- **Power**
  - Voltage - 24V DC
  - Driver - Requires separate 24V DC Driver
  - Wattage - 14W
  - Max ambient operating temperature: +40°C
- **Light Output**
  - Lumens - 830lm
  - Colour Temperature - 3500K
  - CRI - >80
- **Lamp**
  - Integrated LED
  - Optics - Symmetrical

### Installation

- **Recess Size** - Ø150 x 113mm deep
- **Mounting** - Recessed with mounting sleeve
