

# Component

## GEOLED DOWNLIGHT DRIVER – SINGLE COLOUR

Product Code: DD350

IP RATING

DIMMABLE

1 COLOUR

5 YEAR WARRANTY

### Product Features

- Compatible with GEO15 LED Single Colour Temperature Downlight Range
- Coverable driver

### Materials & Finishes

- Material
  - V-0 Polycarbonate

### Specifications

- Power
  - ta: 50°C
  - tc: 90°C
  - Output Voltage -20-44V
  - Output Current - 350Ma
  - Primary- AC200-240V - 50/60Hz
  - Secondary-DC22-40V - 50/60Hz
  - Driver Type - Constant current smart control electronic LED driver
  - Dimming range - 3%-100%
  - Max ambient operating temperature: +45°C
