

# Component

## GEOLED DOWNLIGHT DRIVER – SINGLE COLOUR

Product Code: DD450

### Product Features

- Compatible with GEO20 LED Single Colour Temperature Downlight Range
- Coverable driver

### Materials & Finishes

- Material
  - V-0 Polycarbonate

### Specifications

- Power
  - ta: 50°C
  - tc: 90°C
  - Output Voltage -27-40V
  - Output Current - 450Ma
  - Primary- AC200-240V - 50/60Hz
  - Secondary-DC22-40V - 50/60Hz
  - Driver Type - Constant current smart control electronic LED driver
  - Dimming range - 3%-100%
  - Max ambient operating temperature: +45°C
