# Floodlight
## ECONLED SENSOR-PIR - MEDIUM
**Product Codes: FLOOD20WPIR**

**eurotech lighting**

**110°** — BEAM ANGLE
**IP65** — IP RATING
**SENSOR**
**3 YEAR** — WARRANTY
**75+ CRI** — CRI
**CCT** — 1 COLOUR
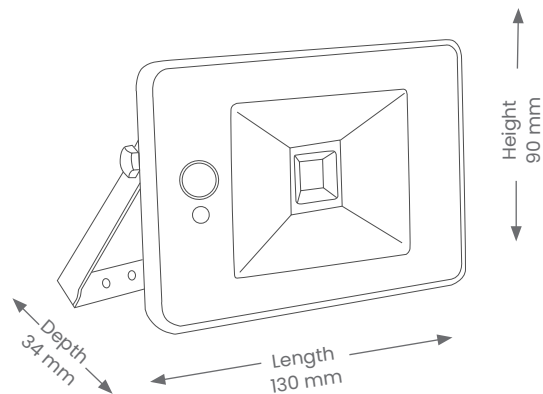

## Product Features

• Suitable for residential or commercial in exterior installations
• Cost effective solution for lighting up residential environments such as drivewways, sheds, and garages
• Lifespan- 40,000 hrs(L70)

## Materials & Finish

• **Material**
  - Powder coated aluminium
• **LED Type**
  - Integrated SMD LED
• **Colour**
  - ⬤ Black

## Specifications

• Non-Dimmable
• **Sensor**
  - Built-In - PIR Sensor
  - Detection Distance - 1-8m
  - Time -30sec - 1hr
• **Power**
  - Voltage - 230V
  - Driver - Integral
  - Wattage -20W
  - Power Factor - >0.9
• **Light Output**
  - Lumens - 2000lm
  - Colour Temperature - 4000K
  - CRI - >75
• **Lamp**
  - Tech - Integrated LED

## Installation

• **Mounting** - Surface Mounted
