Installation Instructions

- 1. Using mounting brackets as a guide drill two mounting holes. Knock two white expansion tubes provided into the holes.
- 2. Turn two pieces screws into the white expansion tubes through the bracket holes to fix the bracket on the ceiling.
- 3. Connect wires into connector block provided paying attention to live, natural + earth markings.
- 4. Once all wires are connected, place your LED lamp into fitting. Ensure installation is correct before switching on the fitting to test.

Safety Instructions

Read these instructions carefully before commencing installation.
