

Component

MINNIE DRIVER – 650mA LED

Product Code: MINID

Product Features

- Compatible with Minnie A01 Recessed Downlight
- Includes junction box, will run 2-6 Minnie A01 3Ws Downlights

Materials & Finishes

- Material
-V-0 Polycarbonate

Specifications

- Power
 - t_a : 45°C
 - t_c : 70°C
 - Power factor - >0.90
 - Output Current - 650Ma
 - Wattage - 18W Max
 - Primary- AC200-240V - 50/60Hz
 - Secondary-DC6-22V - 50/60Hz
 - Driver Type - Constant current smart control electronic LED driver
 - Dimming range - 3% - 100%
 - Max ambient operating temperature: +50°C
