

JBL Series Product Overview

JBL Series LED Bollard Luminaire

The Jarvis JBL Series LED bollard is a cost-effective solution for a wide variety of entryway and pathway lighting applications. Featuring high quality and long-lasting LEDs this fixture is available with a lightly frosted lens. The JBL series is designed to improve safety and security in any outdoor location that needs low mounting height lighting without sacrificing a sleek architectural design.

KEY FEATURES:

- 360° Illumination with zero uplight
- 3.5ft Fixture height with durable powder coat finish
- 1-10V dimming capable
- Wattage and CCT Adjustable
- 10 year warranty
