

**\*Job Title:** \* Set-up Crew Member and Driver\*

**\*Company:** \* Castle Mania \*

**\*Website:** \* <http://www.castlemania.ca>

**\*Location:** \* Based out of Caledon/ Orangeville Area

**\*About Us:** \* Castle Mania is a premier provider of bouncy castles, inflatable attractions, LED furniture, and food concessions, dedicated to bringing joy and excitement to a variety of events and gatherings across in the GTA. From children's birthday parties to corporate events, we offer a diverse range of entertainment options to suit every occasion. With a commitment to safety, quality, and customer satisfaction, Castle Mania strives to make every event memorable and magical for our clients and their guests.

**\*Position Overview:** \*

We are currently seeking a versatile, enthusiastic, and reliable individuals to join our team at Castle Mania as a Set-up Crew Member and Driver. As part of the crew, you will play a vital role in both the setup and transportation of our bouncy castles and inflatable attractions from our warehouse in Orangeville to various events and locations. ***NOTE: Driving experience and drivers license is required for the driver position, for the set-up crew member position is not required.***

***This is a seasonal role, typically from April to October.***

**Duties:**

- Safely transport bouncy castles and inflatable attractions to event locations using company vehicles, including cube trucks and truck-trailer combinations.
- Operate heavy equipment and tools with care for the setup and takedown of bouncy castles and inflatable attractions.
- Ensure all components are assembled correctly according to safety standards and company guidelines.
- Conduct quality checks to ensure the integrity of the inflatable structures.
- Collaborate with team members to streamline setup processes and ensure efficient operations.
- Provide support in a warehouse setting, organizing, and cleaning equipment.
- Maintain a positive attitude and contribute to a collaborative work environment.
- Adhere to safety protocols and maintain cleanliness of equipment and work areas.

**Qualifications:**

- Motivated individual with a desire to contribute to the success of our team.
- Strong collaboration skills and a positive attitude towards work.
- Basic understanding of measurements and calculations for setup tasks.
- Previous experience in driving and operating heavy equipment.
- Valid driver's license with experience driving cube trucks and truck-trailer combinations, with a clean driving record.
- Knowledge of road safety regulations and ability to navigate efficiently to event locations.
- Ability to follow instructions accurately and work effectively in a team setting.

**\*Requirements: \***

- Ability to lift heavy objects and perform physical tasks in various weather conditions.
- Flexibility to work evenings and weekends, and holidays as needed.
- Strong attention to detail and commitment to safety protocols.
- Previous experience in event setup or a related field is an asset but not required.
- G2 and G class license with a clean abstract is required for the driver position, for the set-up support position it is not a requirement.
