

MAZZALÙA: UNA GIOIA SENZ'ALCOL

Mazzalùa is “Alcohol-Free Sparkling,” as the correct global designation reads, while “Bevanda Analcolica Frizzante” is the authentic Italian translation. Tasting the ancient, aromatic vinegar in the charming, dedicated cellars, perceiving their extraordinary nature, recording their uniqueness and unspeakable excellence, convinced the four founding partners that such a natural treasure should not remain known to a few but, on the contrary, should become a universal heritage, inducing them to pursue the creation of a universal beverage that transcends tradition, culture, faith, age, and is therefore inevitably alcohol-free. In terms of taste-olfactory, Mazzalùa expresses itself with a gently acidic gustative note, a touch of fruitiness caressed by a naturally soft complement, perceptible

in the sweetness of the grape must. The four founders have dedicated perseverance, resources, and research to eliminate the vinegar’s characteristic instability and make the best use of the most in the Mazzalùa blend. Complementing the drink is a bright touch of carbon dioxide (CO2), useful both as a natural preservative and an element of joy, thanks to the vibrant, mischievous sparkle that emerges, brightening spirits and sometimes bearing witness to life’s essential moments. Research and commitment have created an apparently simple yet intimately complex product. There are no other additions; the bouquet in Mazzalùa is entirely natural and comes from a skillful blending of naturally aged wine vinegar and grape must. No conservatives, purest naturalness.

MAZZALÙA

MAZZALÙA

NOVITÀ

- Ingredients: Must form white grapes, white vinegar, carbon dioxide (CO2), and salt;
- Acidity correctors: citric acid, antioxidant, tartaric acid;
- Conservatives: Sulphur dioxide;
