▲ In the interest of streamlining the WC, Viega's in-wall flushing system conceals pipes and a water tank. A Viega Visign flush plate operates the system; it offers a wide range of design options and control functions—including LED lighting for orientation or ambiance and touchless activation. Available at Thos. Somerville locations. tsomerville.com; viega.com

► The bold veining of Calacatta, Carrara, Statuary and Dolomite varieties of marble is reimagined in watery tones via Ocean Blue, a line of rectified porcelain tiles. The series comes in a matte or polished finish and in multiple formats; herringbone, hexagonal and square mosaics in a matte finish are also part of the mix. Available locally at Best Tile. besttile.com

✓ Island Stone's Cascade
Collection of glass tiles is
distinguished by a textured finish
that mimics subtle movement
on the water's surface. The
tiles come in three sizes and
six colors, including Oceana
(pictured), and coordinate with
the company's Glass Essentials
line. islandstone.com

▲ The MIX collection of interchangeable cabinet hardware by British company Armac Martin conjures a stylish industrial vibe. Made of solid brass, pieces come in 20 mix-and-match finishes; pictured here: the straight knurled pull handle in burnished brass with a matte-black backplate. Available locally at Push Pull Hardware in North Bethesda. pushpullhardware.com

▲ The solid-oak Solace 48-inch Vanity from Native Trails—part of a transitional bath vanity and mirror collection—is paired with the company's NativeStone concrete-look surface. Buyers can choose from a range of finishes for both vanity and top; Midnight Oak is pictured with a counter and shelf in contrasting Pearl. nativetrailshome.com ■
