Caesarstone's Empira White is an interpretation of authentic Calacatta marble with a timeless yet urban look. The polished surface retains its beauty without sealants or waxes. CAESARSTONEUS.COM

2

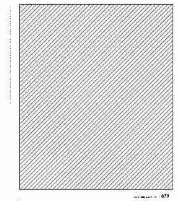

Inspired by onyx natural stone, the delicate cracked effect and inherent shine of **Cosentino's** Dekton Helena provides its characteristic depth. COSENTINO.COM

3

With countertops and vanities in mind, the classic feel of **Daltile's** Kodiak features soft veins set against a white background. DALTILE.COM

4

Florim's I Filati di Rex collection brings the look of Venetian textiles to ceramic surfaces. Offered in nine patterns, the large slabs seem as if they were created by master weavers. FLORIM.COM
