# Pom-Pom Floral Bouquet

*Toss a little color and texture into your home décor by creating pom-pom flowers. Make a single flower for an accent or make an entire bouquet... you'll never have to water and these flowers won't fade or droop.*

## MATERIALS:

1 XL Clover Pom-Pom Maker ART NO.3128

1 L Clover Pom-Pom Maker ART NO. 3126

Assorted Yarns and Ribbons

(1lb. Skein makes 6 XL pompoms)

Leaves (3 per Flower)

Thin wire

Floral Wire Stems

Floral Tape

1 Pair Wire Cutters

1 Pair Pliers

1 Pair Scissors

- **STEP 1:** Make pom-poms according to the directions in the Pom-Pom Maker package. Tie off with yarn, but do not remove the Pom-Pom Maker.

**Suggestion:** When wrapping the pom-poms, experiment with a variety of ribbons and different styles of yarn all on one pom-pom maker. Many different effects will occur as you cut the pom-pom open. This is so much fun... you'll be running out for more types of yarn.

- **STEP 2:** After the pom-pom is tied with yarn, run a thin gauge wire through the center over the yarn and twist the wire as tight as possible leaving approximately a 6" tail of the twisted thin wire.
- **STEP 3:** Bend a stem wire in half and insert it between the halves of the Pom-Pom Maker. Then twist the stem as tight as possible around the interior of the pom-pom. You need pliers to tighten the twist. Remove the Pom-Pom Maker.
- **STEP 4:** Twist the tail of the thin wire around the stem wire. This secures the pom-pom so it will not come apart.

- **STEP 5:** To attach the pom-pom flower to the stem, take 3 floral wire stems and using the pliers, twist the three stems together for about 3-4", bend this twisted section to make a hook.
- **STEP 6:** Hook the stem into the base of the pom-pom flower through the wires that are holding the pom-pom together. With pliers twist the end of the hook around the stem to secure the stem in place. Clean up any loose wire tips using wire cutters.
- **STEP 7:** Wrap the Stem with floral tape adding the leaves as you wrap.

Use glass or polished rock pebbles in a vase to hold the arrangement in place.

# Pom-Pom Wreath

*This wreath is a great addition to your Holiday décor. Choose colors to match your theme and gather up the children and grandchildren to help you make pom-poms. Give the wreath a traditional look or make it as glitzy as you want...just let the creativity flow.*

- **STEP 1:** Make pom-poms following the directions in the Pom-Pom Maker package as follows:

6 XL Pom-Poms from the green yarn  
6 L Pom-Poms from the red yarn  
12 XS Pom-Poms from the brown variegated yarn

**Note:** When tying off the pom-poms leave a 6" tail to tie the pom-poms to the wreath base.

- **STEP 2:** Arrange the Ivy Garland on the wire wreath base and wire it into place, snip off any extra garland.
- **STEP 3:** Tie in the 6 XL green pom-poms evenly spaced around the wreath.
- **STEP 4:** Tie in the 6 L red pom-poms between each of the green pom-poms.
- **STEP 5:** Before tying the XS pom-poms add two bell charms to the tails, then tie two XS pom-poms together and add them to the wreath
- **STEP 6:** Wire the twelve sprigs of berries evenly to the wreath making sure they circle the outer edges of the wreath.

## MATERIALS:

- 20" Green Wire Wreath Base
- 1 XL Clover Pom-Pom Maker (4 1/2") ART NO.3128
- 1 L Clover Pom-Pom Maker (Blue, 3 3/8") ART NO.3126
- 1 XS Clover Pom-Pom Maker (Purple, 1") ART NO.3127
- 3 Skeins Green Yarn
- 2 Skeins Red Yarn
- 1 Skein Brown Variegated Yarn
- 24 Small Bell Charms
- 1 Ivy Garland
- 1 Bunch Berry Sprigs (Need 12 individual sprigs)
- 1 Spool Florist Wire (Gauge)
- 1 Roll Green Florist Tape
- 1 Pair Clover Ultimate Scissors EX-170 ART NO.4933
- 1 Pair Wire Snips
