## *Constructions:*

**Step 1:** Make 1 x-small yo-yo. String a star bead and a seed bead to the gathered side of the yo-yo, tie off and set aside.

**Step 2:** Make 2 small yo-yos (one will be stuffed). To stuff the yo-yo bring gathers together and place a small amount of stuffing into the center of the yo-yo. As you tie off be sure to stitch through the center of the stuffing to secure it in place.

**Step 3:** Follow Step 2 as you make 2 large, 2 x-large and 2 jumbo yo-yos. Remember to lightly stuff one of each size yo-yo.

**Step 4:** Using an extra long needle, string the yo-yos through the centers in the following order starting from the base of the tree: 1 jumbo yo-yo gather side down, 1 stuffed jumbo yo-yo gather side up (all remaining yo-yos will be strung with the gathers up), 1 x-large yo-yo, 1 stuffed x-large yo-yo, 1 large yo-yo, 1 stuffed large yo-yo, 1 small yo-yo, 1 stuffed small yo-yo, now add the yo-yo with the star to complete the tree. Go back through to the base of the tree with the needle and thread and tie off to secure all yo-yos in place.

**Step 5:** (Optional) Add an ornament hook behind the star for a tree decoration.
