Use this beautiful quilt as a wall hanging to bring life to your living room.

SUPPLY & FABRIC REQUIREMENTS

- 1 ¾ yd. Quilt Top
- 1 ¾ yd. Backing
- 37" x 60" Batting
- 24 assorted Fabrics for the Oval Yo-yo's
- 1-2 Fat quarters per color*

*Note: It is possible to get 9 Oval Yo-yo's out of 1 Fat Quarter which is enough for three circles. We picked colors in jewel tones and used four values (dark to light) per color.

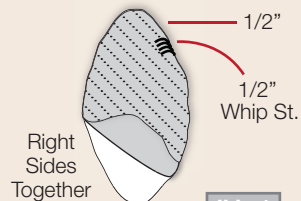

Finished Quilt Size Mounted: 35 ¼" x 57 ¾"

DIRECTIONS

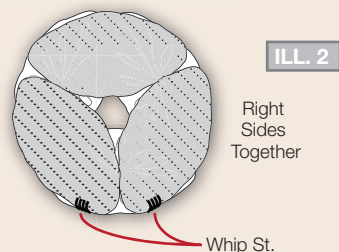

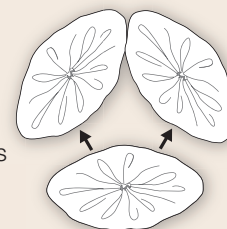

Making the Oval Yo-yos We used 6 color families and 4 values per family. For each family we made 4 Circles of Oval Yo-yos for values 1-3 and one circle for the 4th and lightest value. Four circles require 12 Oval yo-yos of the same color. One circle requires 3 Oval yo-yos of the same color.

Note: You may end up with a different color scheme so for this quilt 84 circles were used which means we made 252 Oval yoyos in all!

Joining Yo-yos into Circles Match each yoyo up with right sides together, measure approximately ½" down from the point, then whip stitch for about ½" do this using 3 yoyos forming the circle. (Ill. 1)

Mounting the Yo-yo quilt into the Back Quilt

Set the yoyo quilt on the Back Quilt making sure there is an even distance on both sides and the top and bottom. This will make the border. Pin the yoyos in place and stitch the yoyo quilt on to the back quilt going through the centers of each yoyo to the back of the quilt. This will hold the quilt together and make the yoyos very stable.
