Leather Belt

By Fran Ortmeyer

This woven leather belt maybe just the accessory needed to cinch in a sweater or top off a pair of jeans.

Supply List

- Clover Weaving Needles Art No. ⁸⁴⁴⁰Thin
- 2 Spools (25 yds. each) $\frac{1}{8}$ " wide Suede Leather
- Silver Beads
- Turquoise Cabochons
- Needle and Thread
- Scissors

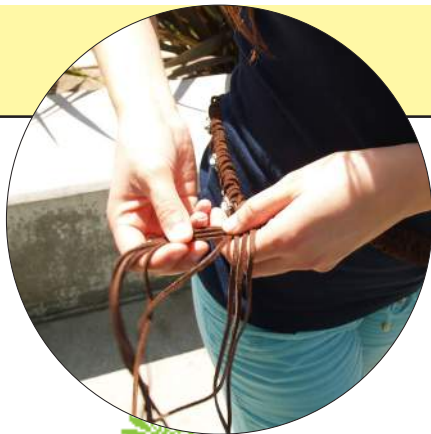

Weaving Instructions

Follow steps 1-9 using 2 needles.

- Step 1: Add the waist measurement plus the length for the ties; then **DOUBLE** that number and add an extra 10" for shrinkage.
- Step 2: Cut the warp to the length needed from step 1. Thread the leather strands through the ends of the needles
- Step 3: Weave over the two needles until you reach the desired length of the belt.
- Step 4: Make sure that the length of the ties are even on both ends; remove leather warp strands from the needles.

Finishing

On this belt the small silver beads were sewn on at an equal distance across the belt and the cabochons centered between the beads.

Weaving Stick Scarf: Red Scarf with Black Fringe

By Alicia Carr

Not doing too well on knitting a scarf? Try weaving one! This project is easy and with the thick weaving needles you can create a large cozy scarf in a reasonable amount of time.

Supply List:

Clover Weaving Sticks Art No 8441 Thick

Yarn: Use Universal Yarns (color) Scarlet – 4 Skeins

Scissors

Weaving Instructions

Follow directions for weaving with 3 or more needles.

Step 1: Cut 6 lengths of yarn double your desired length. Thread each needle doubling it by pulling yarn to its center.

Step 2: Tie the skein of yarn on the left most needle.

Step 3: Hold the needles in a fan in one hand and weave the yarn in and out of the needles with the other hand.

Step 4: Weave to your desired length, then remove from needles.

Measurements of scarf: 42 Inches Long

Finish off as directed in instructions.

Fringe used? Yes. Using Amour Crochet Hook (size J)

Tip:

The number of yarn strands you thread through your weaving sticks the more formed ridges or you can have a relaxed ridge.

You may want to make a test piece to see which effect you prefer.

Bag

By Tami Bayer

This bag is multi functional depending on how long it is woven. It can protect sunglasses, glasses, cell phones... be storage for crochet hooks, knitting needles and so much more.

This was woven to store our brand new set of Weaving Needles.

Supply List

- Clover Weaving Needles Art No⁸⁴⁴Thin
- 1 Skein Yarn (100 grams/76yards) Bulky (5-6)
- Clover Darning Needle with Latch Hook Eye Art No. 3160
- Clover Jumbo Wonder Clips Art No. 3166
- Scissors

Weaving Instructions

Follow directions for weaving with 3 or more needles.

- Step 1: Cut 6 lengths of yarn each 56". Thread each needle with the yarn doubling it by pulling the yarns to its center. This is the warp.
- Step 2: Tie the skein of yarn on to the left-most needle.
- Step 3: Hold the needles in a fan in one hand and weave the yarn in and out of the needles with the other hand.
- Step 4: Weave to 24" length; then remove from needles.
- Step 5: Tie each end of the warp yarns together in one knot.
- Step 6: Fold one end of the woven piece up 8" and hold in place with Wonder Clips.
- Step 7: Thread the darning needle with the yarn and connect the edges of the weaving as shown in the package instructions. Tuck the end of the yarn into the weaving to hide the end.

Fold over the flap to close the bag.

Friendship Bracelets

By Tami Bayer

Cotton Cord was used here, but the “look” can vary by using hemp, twine, or thin ribbon. Make one or stack several bracelets from all your friends.

Supply List

- Clover Weaving Needles Art No.8440 Fine
- 5 yards each of two coordinating colors of Cotton Cord
- 2 Ribbon Crimps ¼" wide
- 1 Toggle Closure
- 2 Jump Rings
- Wonder Clips Art No.3166
- Pliers
- Scissors

Weaving Instructions

Follow steps 1-9 using 2 needles.

- Step 1: Cut two 16" lengths of cord (one of each color). Thread each needle with the cord, doubling the cord by pulling the cord to the center.
- Step 2: Working the two colors of cord as one; tie the cords on to the left weaving needle.
- Continue with Steps: 3-6 until bracelet is ½" less than the wrist circumference.
- Step 7: Tie cord off on the right needle.
- Step 8: Push all of the weaving cord off the needles and “hold” each end with a Wonder Clip.

Finishing

Cut any excess warp cord and place a ribbon crimp on the ends; squeeze closed using a pair of pliers.
