Necklace

Supply List

- * French Knitter Art No. 3100
- * Needle Threader Art No. 8810
- * Metallic Braid Thread by YLI
- * 6/0mm Clear Beads by Toho
- * 2 Ribbon Clamps
- * 1 Lobster Claw Closure
- * 2 Jump rings
- * Pliers, Scissors
- * Large Tassel Maker Art No. 9941
- * Handy Thread Twister Art No. 9942

Instructions

Place the 6-peg head on the French Knitter pre string approx 110” of beads on the metallic thread

Step 1: Using the French Knitter and following the package instructions, knit approx. 20”

Note: Knit 2-3 rows at the beginning and end without beads to allow space for the ribbon clamp finding

Step 2: Attach the necklace closure using the two jump rings.

Tassel & Cord

Step 1: Set the Larger Tassel Maker in position #2. Make the tassel following the package instructions.

Step 2: Make the cord using 2 strands of the metallic thread and follow the package instructions included in the Handy Thread Twister. The cord length should be 6-7" finished.

Step 3: Loop the tassel cord over the necklace at the center point.

Earrings Supply List

- * Small Tassel Maker Art No. 9940
- * 22 Gauge Silver Wire (Cut two lengths each approx 7")
- * Clear Beads Size 6/0 (Toho)
- * Earring Findings (2)
- * Jump Rings (6)
- * Pliers, Wire Cutters

Instructions:

For one earring (Make 2)

Step 1: Slide Beads on to the 7" wire.

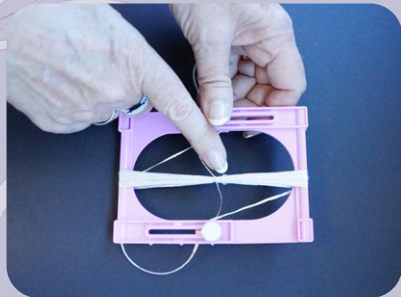

Step 2: Shape the wire either round or oval. Using the pliers twist the ends together, wire cut the ends so they are even; then hide the twist by bending it down toward the loop. (see image below)

Step 3: Make the tassel using the small tassel maker and follow in package instructions.

Note: Set the tassel maker to position #2 and after tying off the center of the tassel open a jump ring, place it at the tie-off then close the jump ring. (see image below)

Step 2 ^

Note ^

Step 4: Place another jump ring through the tassel ring and close.

Step 5: Connect the tassel and the earring finding with third jump ring.
