MAKE·IT

Materials

Designed by Fran Ortmeyer

- Light Worsted Weight Yarn (2 skeins)
- Amour Crochet Hook I-5.5mm (Art No 1048/I)
- Darning Needle Set (Art. No 339)

Notes & Tips

Note:

This scarf can be made with any weight yarn.... adjust your crochet hook to work with your chosen yarn.

TIP:

If you want more than one cable on your scarf just add 10 stitches between the two cables.

TIP:

When working the “back” row (double crochet 20 across) be sure to keep the chain 18 loop to the front. The loop wants to flip to the back side. It helps to put a wonder clip in that loop and clip to front side of work until you establish your pattern.
