

# WINTER WOVEN ACCESSORIES

WITH THE MINI  
WEAVING LOOM

**Clover**  
MAKE·IT

Designed by  
Carol Porter

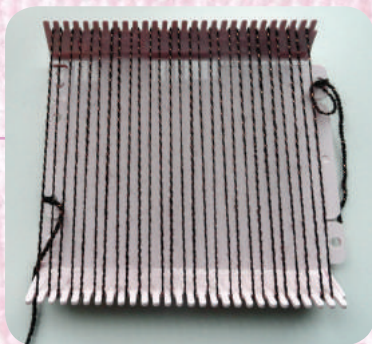

# Instructions

## Front Segment:

**Step 1:** Warp the loom using the brown/copper metallic yarn following the package instructions for warping.

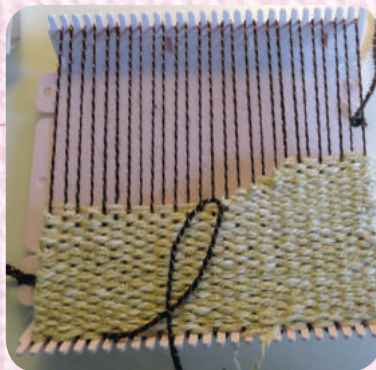

**Step 2:** Weave with the tweed and tan metallic yarns approx. 1/3 of the loom (23-26 rows).

**Step 3:** For design work create “short” rows. Place a piece of contrasting waste yarn on the center warp.

**Step 4:** Reduce weaving by one warp until there are only 7 warps remaining. Cut yarn leaving a 5”-6” tail.

**Step 5:** Repeat in reverse on the other side.

**Step 6:** Weave about 4 rows of brown metallic yarn completely across the loom packing rows down to follow the curve. Cut a 5"-6" tail.

**Step 7:** Bring in the variegated yarn and weave across the loom for several rows.

**Step 8:** Weave back and forth throughout the "dip" area until the space is filled in; then complete weaving across the entire loom to the end.

**Step 9:** Remove from loom and feed in the tails using a darning needle.

### **Back Segment:**

The back segment is done similarly to the front segment only it is a diagonal design..."short" rows were woven on just one side.

### **Flap Segment:**

The flap is woven as a regular unit with the exception that a buttonhole was woven into the piece. Work the buttonhole with the variegated yarn

**Step 1:** From the right side weave to include warp 13, turn and weave back to the side. Do this weaving for approx 1" (or the size of the button). Cut yarn and leave a 5"-6" tail.

**Step 2:** From the left side weave to include warp 14, turn and weave back to the side, match the size of the right side.

**Step 3:** Go back to weaving across the loom.

## Strap:

**Step 1:** Place the 4-peg head on the French Knitter.

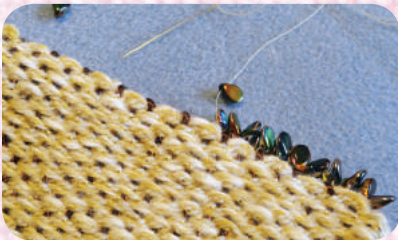

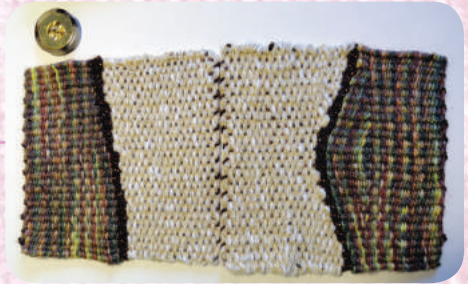

**Step 2:** Using a strand of tweed yarn and a strand of tan metallic yarn together, knit (using package instructions) for approx. 20".

**Step 3:** Remove strap from knitter

## Assembly

**Step 1:** Weave in all ends. Sew the front to the back at the base of the purse using yarn and the darning needle.

**Step 2:** *Optional*-Sew beads to the base of the purse using a beading needle.

**Step 3:** Sew the flap to the top of the back unit

**Step 4:** Fold flap in half so that the buttonhole matches the front button area.

**Step 5:** Starting at the base sew on the strap using the darning needle and yarn. Sew strap up the sides and one half of the flap section.

**Step 6:** Sew on the button.

# WOVEN & PIECED SCARF

## Materials

- Mini Weaving Loom (Single)-Art. No 3176
- Darning Needle Set (Art. No 339)
- Clover Amour Crochet Hook (Size B)-Art. No 1040/B.
- Worsted weight yarn

Mini Weaving Loom  
(Single)

Art. No 3176

Amour Crochet  
Hook (Size B)

Art. No 1040/B

## Instructions

**Step 1:** Follow package instructions to warp, weave and remove piece using the single loom.

**Step 2:** Complete as many squares necessary to make the scarf length desire (this scarf uses a total of 12 squares).

**Step 3:** With darning needle sew sides together.

**Step 4:** Using the Clover Amour Crochet, add fringe of length desired (this scarf uses 10" threads to make finished fringe 5")

*\*\*Note: fringe can be made on weaving loom by using a different warping method. Refer to package instructions.*
