464/18	Bias Tape Maker 3/4"

Other:

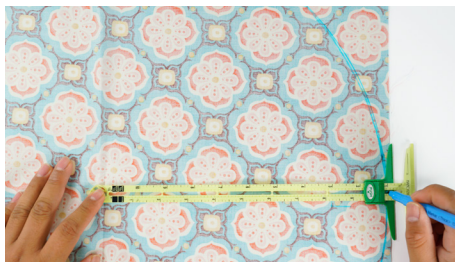

- Pellon 808
- Sewing Machine

Instructions:

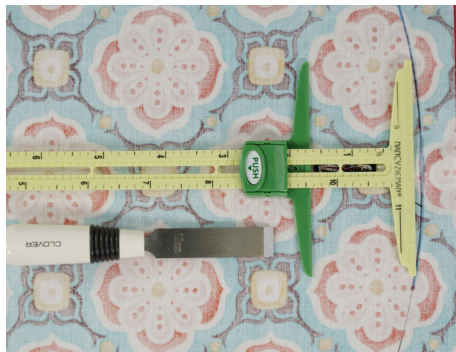

1. Fuse Pellon 808 to wrong side of inner fabric.

2. Using Clover Supersized 5-in-1 Sliding Gauge and Clover Marker, make a circle on the wrong side of the outer fabric.

3. Use Clover Supersized 5-in-1 Sliding Gauge to measure and mark the buttonhole placements. Using the sewing machine, make the buttonholes. Use the buttonhole cutter to open the buttonholes.

4. Use Clover Wonder Pins to pin the fabrics right sides together. Stitch on the circle marking leaving a 4" opening. Use the Clover Bordeaux scissors to trim around the stitch line.

5. Turn right side out. Use Clover Point 2 Point Turner to push the sides out.

6. Use Clover Stitch Guide to get perfect edge stitching. Use Clover Air Erasable Marker.

7. Use Clover Rotary Cutter to cut fabric strips for drawstring.

8. Use Clover Bias Tape Maker to make your drawstring. Use the Clover Awl to insert the fabric through the Tape Maker. Use a Clover Fork Pin to secure the fabric edges into an ironing mat then iron the folded tape as you pull the Tape Maker. Fold over and sew the ends and edges.

9. Use Clover Clip 'n Glide to feed the drawstring through the casing. Put a Jumbo Wonder Clip on the end of the drawstring to keep from pulling it all the way through the casing.

10. You have finished. Hope you enjoyed using the Clover Products in this project!
