TOTE TRAY TROLLEY - TRIPLE COLUMN

ASSEMBLY INSTRUCTIONS

- ✓ Unpack contents and lay out on the floor.
- ✓ Identify the top and bottom cross-rails – the top cross-rails have holes for attaching the top shelf.
- ✓ Take the two centre runner frames (with runners on both sides). Attach the two bottom cross-rails using bolt A. Do not fully tighten bolts.
- ✓ Attach the two top cross-rails using bolt A. Do not fully tighten bolts.
- ✓ Take the two end frames and attach the cross-rails using 8 x bolt A.
- ✓ Screw the casters B to the bottom of the end frames.
- ✓ Place the top shelf on the floor and turn the unit upside down so the top shelf fits accurately on the top of the unit.
- ✓ Use screw C to secure the top shelf to the frame.

Note: Screws are self-tapping and can be inserted with no pre-drilled holes. However, if pre-drilling holes to ease process use a 2mm drill bit and take care to drill no more than 10mm deep.

- ✓ Fully tighten all bolts. Turn unit upright and insert your selection of our colourful tote trays.
