TOTE TRAY TROLLEY - TRIPLE COLUMN

ASSEMBLY INSTRUCTIONS

- ✓ Unpack contents and lay out on the floor.
- ✓ Identify the top and bottom cross-rails – the top rails have brackets for supporting the wooden top.
- ✓ Take the 4 centre rails (with holes on either side for the adjustable rails). Attach the two-bottom cross-rails using bolt A. Do not fully tighten bolts
- ✓ Attached the two top cross-rails using bolt A. Do not fully tighten bolts.
- ✓ Take the two end frames and attach them to the top and bottom cross-rails using 8 x bolt A. Do not fully tighten bolts.
- ✓ Screw the castors (B) to the bottom of the end frames.
- ✓ Place the wooden top into the frame at the top of the unit.
- ✓ Tighten all bolts through the unit.
- ✓ Put the adjustable runners into their desired position and use the hammer provided to get the rails to lock into position. (Note after the first time putting the runners into place, they will be easier to remove / relocate in future)

This carton contains:

- ✓ 2 x Top cross rails with brackets for wooden top support
- ✓ 2 x Bottom cross-rails
- ✓ 2 x end frames
- ✓ 4 x centre columns
- ✓ 1 x wooden top
- ✓ 16 x 40mm M6 bolts
- ✓ 4 x castor wheels
- ✓ 30 x adjustable rails
- ✓ 1 x rubber mallet
