

21 1/2" **Front View Back View** 1 1/2" **Side View**

FEATURES

- -5mm Copper free mirror.
- PVC film backed.
- -Mounting type: Vertically
- -Energy Efficient and Long Lasting LED Lighting.
- -1Year Limited Warranty on Electronic Components.

LIGHTING:

- -LED (Light-Emitting Diode).
- -Defogger.
- -Dimmable
- -Color Temperature: 6000K.
- -Power Source: Input: 110volts, 50/60HZ.
- -IP44 rated.
- -Brightness Lumen: 2800LM; CRI>80
 Power Consumption: 36Watts;
- -Energy saving LED lifetime approx 50,000 hours.
- -UL certificated for electric power supply, defogger and LED strips.

Available Standard size:

24"x24" 30"x30"

Certification:
