

CHEMICALS

CLEANING PRODUCTS

All Purpose Cleaner

A heavy-duty, butyl cleaner that can be used on floors, surfaces, walls and windows. This all purpose cleaner wets and penetrates all grime and soil. It emulsifies grease and oil and floats away soil leaving the surface clean.

Bathroom Cleaner

This acid-free cleaner and deodorizer removes heavy build-up on toilets, tubs, tile grout, fiberglass, porcelain, chrome, and most other washable surfaces. Use for effective and safe daily cleaning and maintenance of restrooms. No bleaches or abrasives.

Enzyme Treatment

Contains over 200 billion enzyme-producing bacteria per gallon. Proven to eliminate odors on contact and is environmentally safe. Removes heavy build-up stains on walls, carpets and upholstery, including grease traps and drains. Great as a wash-and-walk floor cleaner.

Floor Cleaner

Commercial strength, highly effective floor cleaner that cuts through day to day grease and oil. Non-slip formula used on most floors, as well as quarry, tile and concrete.

Glass Cleaner

This glass and hard surface cleaner is non-ammoniated, streak-free and biodegradable. It is used for glass, windows, mirrors, stainless steel, plastic, tiles and all types of washable surfaces.

Degreaser

Highly concentrated formula that cuts most grease or oil problems. For use on machinery, stoves, ovens, floors, walls, windows, ceramic, porcelain, metal and woodwork. Starts degreasing on contact.

Odor Neutralizer

Fresh lemon scent neutralizer cleans and deodorizes foul odors indoors or outside. For use on urinals, drapery, mattresses, bedspreads, upholstery, smoking areas, laundry hampers, vehicle interiors, diaper pails, lockers, dumpsters and foul animal areas.

Lime Descaler

Commercial scale remover for use on dish machines, appliances, counters and bathrooms. Ideal for areas where there are heavy hard water deposits. Descales lime build-up on contact and wipes with ease. Produces a shiny, spot-free, mirror-like result.

Metal Clean & Polish

This cleaner, polish and protector easily removes greasy films, water stains and discoloration. For use on stainless steel and all metallic surfaces. Leaves a light protective film that repels water stains, discoloration, corrosion, soil and smudges. Contains no abrasives.

Oven & Grill Cleaner

Heavy-duty foam action formula adheres to greasy surfaces and wipes clean. The dense foam produced by this product clings to vertical surfaces, allowing more time for the cleaner to cut grease and soils. This formula is non-carcinogenic and non-caustic.

CLEANING PRODUCTS

Aerosol

Cucumber melon-scented freshener eliminates odors. For use in standard aerosol dispensers. Can be used in restrooms, break rooms, lobbies and other areas where a pleasant aroma is desired.

Oxy-Spray Multi-Surface Cleaner

A hydrogen peroxide-based all purpose cleaner. Safe to use on most surfaces.

Liquid Hand Soap

Cleans your hands while it softens and moisturizes your skin. Formulated to quickly penetrate and remove the toughest grime, grease, oil, ink and dirt.

One Step

Formulated to disinfect hard, nonporous, inanimate, environmental surfaces such as: floors, walls, stainless steel surfaces, glazed porcelain, tables, chairs, etc.

Fresh Ease Drain Opener & Deodorizer

Works rapidly to liquefy solids and reduce odors in drain lines, grease traps and septic tanks. Keeps drains and plumbing free flowing, odor free and will reduce the need for expensive pump-outs.

Lemon Ice Neutralizer

Eliminates all types of malodors. Effectively eliminates odors caused from urine, feces, decay, rancidity, fire, tobacco smoke, cooking and mildew. Each can neutralizes and destroys odors up to 6,000 cubic feet of space.

Hand Soap

A honey-scented foam soap that is perfect for use in a foaming liquid soap dispenser. Cleans your hands of all dirt and leaves skin soft, smooth, refreshed and clean. Ideal for use in restaurants, hospitals and schools.

Heavy Duty Bathroom Cleaner

Ultra-concentrated heavy duty formula allows rapid removal of build-up, leaving a clean and fresh result. Cleans, descales and deodorizes. For use on: toilets, tubs, floors, tile, grout, fiberglass, porcelain, chrome, and most other washable surfaces.

Cucumber Melon Room Deodorizer

Room deodorizer spray with pleasant Cucumber Melon Fragrance. Safely eliminates odors on carpet, bedding and in the air. Leaves a long lasting fresh scent.

Freezer Cleaner

Ready-to-use heavy duty formula to clean freezer areas. For use on all metals including aluminum, magnesium and other soft metals. For use on composition and concrete floors.

Citrus Surface Polish

A no-wax dust-blocking formula for use on multiple surfaces. Preserves luster of surfaces and reduces accumulation of dust.

Floor Cleaner

A neutral floor cleaner formulated to clean waxed floors without harming the finish. This low foam cleaner enhances the appearance of floors and eliminates the need for rinsing.

CLEANING PRODUCTS

Smudge Buster

This streak-free, ready-to-use formula dissolves film, light to heavy soils, fingerprints, lipstick, bugs and much more. Ideal for glass, windshields, windows and mirrors. Ideal for vertical surface cleaning.

Turbo Clean

A thick, heavy-duty spray and wipe cleaner. Destroys grease and grime on contact. Leaves a pleasant lemon/lime fragrance. For use on all hard surfaces.

SINK PRODUCTS

Presoak

Concentrated enzyme formula removes soil and tarnish from silverware and other kitchen utensils. Presoak can be used on all stainless ware including pots and pans. Removes soil after 15 minutes of pre-soaking and reduces water spotting.

Destainer

Non-chlorinated formula removes stubborn stains from coffee cups, plates and towels. 100% biodegradable and environmentally safe. Extends service life of dinnerware.

Pots & Pan Detergent

Ultimate concentration formula cuts grease and costs. Great for hand washing dishes, glasses and pots and pans. Also works well on floors, walls and painted surfaces. Scented formula is gentle on hands without dryness.

Quaternary Sanitizer

EPA regulated formula that inhibits growth on hard non-porous, inanimate surfaces. No rinse required sanitizer kills 99% of all germs, viruses and bacteria. Ideal for spray bottles, wiping surfaces, and third sink sanitizer application.

Ultimate Pot & Pan Detergent

Heavy duty grease cutting formula. Great for hand washing dishes, glasses or pots and pans. Highly concentrated formula cuts costs.

WASHING PRODUCTS

Dish Machine Chlorine Rinse

Highly concentrated formula of liquid chlorine bleach providing the highest yields. Will bleach and remove protein soils and stains while effectively killing bacteria and germs in the process.

Dish Machine Solid

Powdered, chlorinated detergent formulated for heavy soil conditions, as well as hard or soft water. A high-yielding, cost effective concentrated detergent with HDChem's exclusive, controlled dispensing system.

Dish Machine Detergent

Industrial strength, all-temperature detergent. Works on high and low temperature dish machines. High yielding and economical. Non-foaming formula activates immediately upon contact.

Dish Machine Rinse

All-temperature formula gives the perfect sheeting action in all water conditions. Ultra concentration provides extended product usage. Prevents minerals and soils from redepositing onto all types of ware, including plastics.

High Solids Rinse

Rinses clean and is specially formulated for use in high solids water conditions. Prevents minerals and soils from redepositing onto all types of ware, including plastics.

Heavy Duty Dish Machine Detergent

Strong enough to cut through even the toughest food soils. Stronger, higher alkalinity formula. Non-foaming formula. Activates immediately upon contact. High-yielding and economical.

LAUNDRY CHEMICALS

Liquid Laundry Detergent

Penetrates, dissolves and flushes away dirt, grease, oil and food stains. Works in hot or cold water, rinses clean and leaves no residue. Safe for all washable fabrics, and is great for cleaning wool, silk and delicate synthetics. Phosphate-free, 100% biodegradable and environmentally safe.

Enzyme Laundry Detergent

Latest development in Enzyme technology. Super detergency and super sequestering helps in the soil and stain removal process. Works great in hotel, motel and hospital laundries. Phosphate-free, 100% biodegradable and environmentally safe.

Granular Detergent with Oxygen Bleach

An all-in-one detergent with color safe bleach. Contains biodegradable surfactants, brighteners, water softeners and soil suspending agents that remove ground-in dirt. Works well in all water conditions and temperatures.

Builder

An excellent heavy-duty liquid concentrated booster for hard water conditions. Rapidly penetrates, breaks down and flushes away food residues, grease, fats, oils, lipstick, protein, coffee, tea and other stains. Prevents clogged lines and is biodegradable.

RECLAIM

Heavy duty detergent with bleach. Contains surfactants, water softeners, and soil-suspending agents that remove ground-in dirt. Works well in all water conditions and temperatures.

Granular Enzyme Laundry Detergent

An enzyme based, low alkalinity detergent. Can be used on white or delicate colored fabrics to produce the whitest and brightest shirts. Excellent for pre-soaking, removes organic stains.

Chlorine Bleach

Oxidizes and bleaches soil and stains in hard or soft water. When used with an appropriate wash formula, penetrates and dissolves grease, fat, egg, milk, lipstick, protein, blood, stains and food residues quickly and completely. Used to brighten and destain all your chlorine-safe fabrics.

Oxygenated Bleach

Highly concentrated oxygen bleach, safe on all white and colorfast washable fabric. Revitalizes the color of dull and faded fabrics, reduces linting and prevents tensile strength loss. Compatible with all detergents and soaps including enzyme products.

Iron Sour

Balanced blend of organic acids to give a maximum effect of neutralizing excess alkalinity in laundry work. Removes rust and helps prevent yellowing. Recommended where dissolved iron in water can be a problem.

Softener

Lubricates the fabric for less wrinkling, less sticking and reduces static for speedier ironing. Prevents skin irritation from residual alkalinity. Reduces extraction and drying time, minimizes linting and reduces friction wear. Phosphate-free, 100% biodegradable and environmentally safe.

Soft and Sour

Combination sour additive and fabric softener in convenient liquid form. Lubricates fabrics and reduces static electricity, leaving a soft-touch feeling. Prevents yellowing and graying by neutralizing residual alkali and dissolving hard water lime and iron stains. Safe for use on all cottons, linens and synthetic fabrics.
